Welcome to Term 4 of 2015 and I trust that all students had a great holiday with plenty of relaxation and time spent with family.

Term 4 promises to be a busy and eventful one, starting with visits by Andrew Herbert from the NRL (National Rugby League Limited). Andrew will be visiting TPS each Friday afternoon from Week 1 - Week 3 and passing on a wealth of knowledge and skills to the students. I am sure the students will thoroughly enjoy these sessions.

High School transition will continue each Thursday fortnight commencing week 2 and finishing Thursday of Week 8.

Parent – teacher interviews will be offered in Week 3; notes will go home this week with dates for each class teacher and options for times.

If you haven’t already done so, please return completed swimming notes with payment. Swimming lessons will commence on Wednesday 14th October and continue every Wednesday until week 9. No students will be left behind at the school; those students not participating in swimming lessons will accompany the other students to the pool and sit on the side-lines.

Please ensure students bring their hats to school every day; students without a hat will have to play under the COLA (Covered Outdoor Learning Area).

Have a great week!

Anita Moore
Relieving Principal
