**Principal’s Report**

**Tennis** - On Tuesday 2nd of June, something very exciting happened. The Small School’s Tennis Team, including Airlee Savage, (with other students from Goolgowi and Weethalle) competed in Hay, in Round 4 of the PSSA knockout. It was a beautiful day for tennis and the level of competition was high, making all parents and teachers very proud. The overall point score was 31 to 33, with Small Schools being the victors! This is a huge achievement for us as we have now made it into the Riverina final. It is also a proud moment for small schools everywhere, as the final is to be played against other fairly small schools, Barella/Ardlethan (combined). We play this game on Wednesday the 17th of June at Barellan, and I wish the team the very best of luck!

**KROP** - We have recently had auditions for KROP (Kids Rapt On Performing), at TPS. All students involved put in a HUGE effort to learn the dance in a very short space of time. The hard work paid off as the judges were impressed with our talented students, and we got in! We perform on the 30th and 31st of July. I will send out notes with details for costumes and times and all other information, before the end of term. I was super proud of all involved and I look forward to working with the students over the remainder of this term and early next term, on refining our dance moves and acting skills.  
Ms Wythes

Have a great week!

Anita Moore  
Relieving Principal

**Peer Support**

This week in Peer Support the children will learn about positive self-talk. It is important that what we say and think to ourselves is optimistic so we are able to deal with situations that may be challenging. The children practise speaking positively to themselves when good things happen as well as when things are not going well. Encourage your child to practise this at home so they are more likely to develop an optimistic attitude and approach to life.
CYBERBULLYING:
Family Forum
An empowering approach to dealing with Cyberbullying

PROJECT ROCKIT is a youth-led anti-bullying educational team, who have worked with students, teachers & parents across Australia, as well as with Microsoft and Facebook to help counter cyberbullying.
