Principal’s Report

As this is my last week as Relieving Principal, I would like to thank everyone for their support over the 6 weeks. I have thoroughly enjoyed being back on class and the students are to be congratulated on their wonderful behaviour. Welcome back Ms Moore.

A belated thankyou to Tony and Kirsty O’Grady for being so accommodating during Education Week. Our lunches were delivered in two lots to fit around KROP. Tony also delivers our lunch on occasions when we do not have any parent helpers.

Congratulations Georgia Williams. Georgia tied as Junior Girls Champion at the PSSA Zone Carnival with Sammy Rutledge and Alice Worthington.

The SRC Annual Lap-a-thon was a huge success. All students put in an amazing effort, including some future students. Jyden Harris completed the most laps with 32. Jonathon Catanzariti was the lucky winner of the $50 voucher from Athletes Foot. In total the students ran 541 laps. WOW! We would appreciate if you could please send in your sponsorship money ASAP. Thanks to the P&C for the delicious BBQ. The SRC cake stall raised $93.20. Thanks to all the families who donated the delicious treats.

Last Tuesday the Stage 2 and 3 students were lucky enough to participate in ‘I Am Jack’ drama workshops. These were excellent and I wouldn’t be surprised to hear in the future that some of our students have pursued an acting career.

The NSW State Library Education Officers are visiting the Stage 2 and Stage 3 students on Wednesday. The State Library of NSW is taking treasured collection items on tour around regional NSW. These objects tell the story of our nation and provide a glimpse of the extraordinary collections held at the State Library of NSW. Please return the consent form sent home today by tomorrow please.

We have booked our dates for the School Swimming Program. It does not commence until the second week of next term but you can start to make payments towards the program if you wish.

Have a great week everyone.

Kerry Dal Nevo
Relieving Principal
